LB 80, 82

Chamberlain from Tekamah. Would you folks please stand and be recognized. Thank you. LB 80, please.

CLERK: LB 80, Mr. President, offered by Senator Korshoj. (Read title.) The bill was introduced on January 5, referred to Judiciary, advanced to General File. I have no amendments to the bill, Mr. President.

PRESIDENT: Senator Korshoj, please.

SENATOR KORSHOJ: Mr. President and members, this is a very straightforward bill. It was brought to me by the Indian Commission. Steve Provost discovered that an Indian could only get a marriage license in the county of their residence. And they're the only people in the State of Nebraska that cannot get a marriage license any place in the State of Nebraska. So all this bill does is bring the Indians under the same set of laws as anybody else in the state. And talking to the Government Committee, they said we had better get this passed or we're going to have a discrimination suit. So I would just, therefore, ask for the advancement of this bill.

PRESIDENT: Any further discussion on the bill? If not, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of LB 80.

PRESIDENT: LB 80 advances. LB 82, please.

CLERK: Mr. President, LB 82 introduced by Senator Korshoj. (Read title.) The bill was introduced on January 5, referred to Judiciary, advanced to General File. I have no committee amendments. Mr. President, Senator Korshoj would move to amend the bill by adding the emergency clause thereto.

PRESIDENT: Senator Korshoj, please. Do you want to talk about your amendment first, please.

SENATOR KORSHOJ: Well, I'm just asking...Mr. President and members, I would like to get the emergency clause put on this bill. It's a bill that our Clerk of the District Court would like very badly as quick as possible so she could get an updated list for jury selection.
